

MCMINNVILLE CHRISTIAN ACADEMY

INSPIRING ACADEMIC EXCELLENCE THROUGH CHRIST

November 6, 2017

Dear MCA families,

McMinnville Christian Academy is growing! We are excited to announce that an Infant Care Center will be offered at MCA beginning January 2nd, 2018. Reservations will begin today.

Infant to 2-year-old child care will be available beginning January 2nd, 2018, at the Baker Creek Campus of MCA. The Care Center will operate Monday-Friday from 7am-6pm. At this time, enrollment will be capped at 8 infants and 16 toddlers (ages 1-2) for full day options. Reservations will be filled on a first come, first served basis with an ordered waitlist. Half day positions may be considered, if space allows. The cost will be \$1,095 per month, per child. For reservations, please call 503-472-6076.

The MCA Infant Care Center program is based on teacher investment in each child where one-on-one face time, verbal and non-verbal interaction, and affirming physical touch forms the basis of their cognitive development.

Thank you for sharing your excitement with us as we continue to reach families in Yamhill County! Please feel free to share this information with your family and friends!

His glory alone,

Dr. Derrik Graham
Chief Administrator
