

## OPERATIONAL BLUEPRINT FOR SCHOOL REENTRY 2020-21

Updated 12/7/2020

Under ODE's **Ready Schools, Safe Learners** guidance, each school<sup>1</sup> has been directed to submit a plan to the district<sup>2</sup> in order to provide on-site and/or hybrid instruction. Districts must submit each school's plan to the local school board and make the plans available to the public. This form is to be used to document a district's, school's or program's plan to ensure students can return for the 2020-21 school year, in some form, in accordance with Executive Order 20-25(10). Schools must use the [Ready Schools, Safe Learners guidance](#) document as they complete their Operational Blueprint for Reentry. ODE recommends plan development be inclusive of, but not limited to, school-based administrators, teachers and school staff, health and nursing staff, association leadership, nutrition services, transportation services, tribal consultation,<sup>3</sup> parents and others for purposes of providing expertise, developing broad understanding of the health protocols and carrying out plan implementation.

1. Please fill out information:

SCHOOL/DISTRICT/PROGRAM INFORMATION	
Name of School, District or Program	McMinnville Christian Academy
Key Contact Person for this Plan	Jackson Hull
Phone Number of this Person	(503)472-6067
Email Address of this Person	jhull@iammca.org
Sectors and position titles of those who informed the plan	Jackson Hull – Principal Hannah Free – Office Manager
Local public health office(s) or officers(s)	Lindsay Manfrin, Yamhill County Public Health (503) 434-7525
Name of person Designated to Establish, Implement and Enforce Physical Distancing Requirements	Jackson Hull
Intended Effective Dates for this Plan	January, 11 2021
ESD Region	Willamette ESD

2. Please list efforts you have made to engage your community (public health information sharing, taking feedback on planning, etc.) in preparing for school in 2020-21. Include information on engagement with communities often underserved and marginalized and those communities disproportionately impacted by COVID-19.

- Parent Communication
- Plan on Website
- Board Approval
- Email copies to parents about plan

3. Indicate which instructional model will be used.

<sup>1</sup> For the purposes of this guidance: "school" refers to all public schools, including public charter schools, public virtual charter schools, alternative education programs, private schools and the Oregon School for the Deaf. For ease of readability, "school" will be used inclusively to reference all of these settings.

<sup>2</sup> For the purposes of this guidance: "district" refers to a school district, education service district, public charter school sponsoring district, virtual public charter school sponsoring district, state sponsored public charter school, alternative education programs, private schools, and the Oregon School for the Deaf.

<sup>3</sup> Tribal Consultation is a separate process from stakeholder engagement; consultation recognizes and affirms tribal rights of self-government and tribal sovereignty, and mandates state government to work with American Indian nations on a [government-to-government](#) basis.

Select One:

☒ On-Site Learning      ☐ Hybrid Learning      ☐ Comprehensive Distance Learning

4. If you selected Comprehensive Distance Learning, you only have to fill out the green portion of the Operational Blueprint for Reentry (i.e., page 2 in the initial template).
5. If you selected On-Site Learning or Hybrid Learning, you have to fill out the blue portion of the Operational Blueprint for Reentry (i.e., pages 3-19 in the initial template) and [submit online](https://app.smartsheet.com/b/form/a4dedb5185d94966b1dffc75e4874c8a). (<https://app.smartsheet.com/b/form/a4dedb5185d94966b1dffc75e4874c8a>) by August 17, 2020 or prior to the beginning of the 2020-21 school year.

\* **Note:** Private schools are required to comply with only sections 1-3 of the *Ready Schools, Safe Learners* guidance.

### REQUIREMENTS FOR COMPREHENSIVE DISTANCE LEARNING OPERATIONAL BLUEPRINT

*This section must be completed by any school that is seeking to provide instruction through Comprehensive Distance Learning. For Private Schools, completing this section is optional (not required). Schools providing On-Site or Hybrid Instructional Models do not need to complete this section.*

Describe why you are selecting Comprehensive Distance Learning as the school's Instructional Model for the effective dates of this plan.

Not applicable. We are not providing instruction through Comprehensive Distance Learning.

In completing this portion of the Blueprint you are attesting that you have reviewed the Comprehensive Distance Learning Guidance. [Here is a link to the overview of CDL Requirements](#). Please name any requirements you need ODE to review for any possible flexibility or waiver.

Not applicable. We are not providing instruction through Comprehensive Distance Learning.

Describe the school's plan, including the anticipated timeline, for returning to Hybrid Learning or On-Site Learning consistent with the *Ready Schools, Safe Learners* guidance.

Not applicable. We are not providing instruction through Comprehensive Distance Learning.

*The remainder of this operational blueprint is not applicable to schools operating a Comprehensive Distance Learning Model.*

## ESSENTIAL REQUIREMENTS FOR HYBRID / ON-SITE OPERATIONAL BLUEPRINT

*This section must be completed by any school that is providing instruction through On-Site or Hybrid Instructional Models.*

*Schools providing Comprehensive Distance Learning Instructional Models do not need to complete this section unless the school is implementing the Limited In-Person Instruction provision under the Comprehensive Distance Learning guidance.*

### 0. Health Metrics for Returning to In-Person Instruction

#### OPERATING WITHIN THE GENERAL METRICS

- ☐ The school meets eligibility for the “Safe Harbor Clause” as they were operating with in-person instruction in compliance with previous metrics, including under any prior exceptions. *Unless operating under an exception in section 0d of the **Ready Schools, Safe Learners** guidance, if the school is located in a county with metrics in the “Distance Learning” column of the metrics chart, then the school must transition to distance learning by January 4, 2021.*
- ☐ The school currently meets the General Metrics to successfully reopen for in-person instruction in an On-Site or Hybrid (On-Site and Distance Learning) model. *If this box cannot yet be checked, the school must return to Comprehensive Distance Learning but may be able to provide some in-person instruction through the exceptions noted below.*

#### EXCEPTIONS FOR SPECIFIC IN-PERSON INSTRUCTION WHERE REQUIRED CONDITIONS ARE MET

- ☐ The school currently meets the criteria required to provide limited in-person instruction (LIPI) for specific groups of students (see section 0d(1) of the **Ready Schools, Safe Learners** guidance).
- ☐ The school is small and remote (enrollment  $\leq 75$ ) and the LPHA has established that the school currently meets the criteria required for small remote schools (see section 0d(2) of the **Ready Schools, Safe Learners** guidance).
- ☐ The school currently meets the conditions required for to provide in-person instruction under the low population density, large population county exception (see section 0d(3) of the **Ready Schools, Safe Learners** guidance).
- ☐ The school is eligible for an emergency waiver for in-person instruction due to the impact of wildfires (see section 0d(4) of the **Ready Schools, Safe Learners** guidance).

### 1. Public Health Protocols

#### 1a. COMMUNICABLE DISEASE MANAGEMENT PLAN FOR COVID-19

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"><li><input checked="" type="checkbox"/> Implement measures to limit the spread of COVID-19 within the school setting.</li><li><input checked="" type="checkbox"/> Update written Communicable Disease Management Plan to specifically address the prevention of the spread of COVID-19. Examples are located in the <a href="#">Oregon School Nurses Association (OSNA) COVID-19 Toolkit</a>.</li><li><input checked="" type="checkbox"/> Designate a person at each school to establish, implement and enforce physical distancing requirements, consistent with this guidance and other guidance from OHA.</li><li><input checked="" type="checkbox"/> Include names of the LPHA staff, school nurses, and other medical experts who provided support and resources to the district/school policies and plans. Review relevant local, state, and national evidence to inform plan.</li><li><input checked="" type="checkbox"/> Process and procedures established to train all staff in sections 1 - 3 of the <b>Ready Schools, Safe Learners</b> guidance. Consider conducting the training virtually, or, if in-person, ensure physical distancing is maintained to the maximum extent possible.</li><li><input checked="" type="checkbox"/> Protocol to notify the local public health authority (<a href="#">LPHA Directory by County</a>) of any confirmed COVID-19 cases among students or staff.</li></ul>	<p><b>Enforcer:</b> At McMinnville Christian Academy (MCA) the principal will be the designated person to establish, implement and enforce physical distancing requirements, consistent with the Ready Schools, Safe Learners guidance and other guidance from OHA.</p> <p><b>Local Public Health Authority (LPHA) contact: Yamhill:</b> County Public Health (503) 434-7525</p> <p>We will notify the CPH office of any confirmed COVID-19 cases among students or staff right away. The Office Manager will report to the Local Public Health Authority (LPHA) any cluster of any illness among staff or students. The school will cooperate with the LPHA recommendations and provide all logs and information in a timely manner.</p> <p><b>Communication with Families:</b> In the unfortunate event that a student or staff member has a positive COVID-19 test a letter will be developed and sent out via email to inform all families and staff. A phone call will go out to notify any families and staff members that may have been exposed.</p> <p><b>Staff Training:</b> Process and procedures established to train all staff prior to on-site learning, and as changes are made to the guidelines.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> Plans for systematic disinfection of classrooms, offices, bathrooms and activity areas.</li> <li><input checked="" type="checkbox"/> Process to report to the LPHA any cluster of any illness among staff or students.</li> <li><input checked="" type="checkbox"/> Protocol to cooperate with the LPHA recommendations.</li> <li><input checked="" type="checkbox"/> Provide all logs and information to the LPHA in a timely manner.</li> <li><input checked="" type="checkbox"/> Protocol for screening students and staff for symptoms (see section 1f of the <b>Ready Schools, Safe Learners</b> guidance).</li> <li><input checked="" type="checkbox"/> Protocol to isolate any ill or exposed persons from physical contact with others.</li> <li><input checked="" type="checkbox"/> Protocol for communicating potential COVID-19 cases to the school community and other stakeholders (see section 1e of the <b>Ready Schools, Safe Learners</b> guidance).</li> <li><input checked="" type="checkbox"/> Create a system for maintaining daily logs for each student/cohort for the purposes of contact tracing. This system needs to be made in consultation with a school/district nurse or an LPHA official. Sample logs are available as a part of the <a href="#">Oregon School Nurses Association COVID-19 Toolkit</a>. <ul style="list-style-type: none"> <li>• If a student(s) is part of a stable cohort (a group of students that are consistently in contact with each other or in multiple cohort groups) that conform to the requirements of cohorting (see section 1d of the <b>Ready Schools, Safe Learners</b> guidance), the daily log may be maintained for the cohort.</li> <li>• If a student(s) is not part of a stable cohort, then an individual student log must be maintained.</li> </ul> </li> <li><input checked="" type="checkbox"/> Required components of individual daily student/cohort logs include: <ul style="list-style-type: none"> <li>• Child's name</li> <li>• Drop off/pick up time</li> <li>• Parent/guardian name and emergency contact information</li> <li>• All staff (including itinerant staff, district staff, substitutes, and guest teachers) names and phone numbers who interact with a stable cohort or individual student</li> </ul> </li> <li><input checked="" type="checkbox"/> Protocol to record/keep daily logs to be used for contact tracing for a minimum of four weeks to assist the LPHA as needed.</li> <li><input checked="" type="checkbox"/> Process to ensure that all itinerant and all district staff (maintenance, administrative, delivery, nutrition, and any other staff) who move between buildings keep a log or calendar with a running four-week history of their time in each school building and who they were in contact with at each site.</li> <li><input checked="" type="checkbox"/> Process to ensure that the school reports to and consults with the LPHA regarding cleaning and possible classroom or program closure if anyone who has entered school is diagnosed with COVID-19.</li> <li><input checked="" type="checkbox"/> Designate a staff member and process to ensure that the school provides updated information regarding current instructional models and student counts and reports these data in <a href="#">ODE's COVID-19 Weekly School Status</a> system.</li> <li><input checked="" type="checkbox"/> Protocol to respond to potential outbreaks (see section 3 of the <b>Ready Schools, Safe Learners</b> guidance).</li> </ul>	<p><b>Systematic Disinfection:</b> The teachers/staff will systematically disinfect classrooms, offices, bathrooms and activity areas daily. The teachers will also disinfect high-touch areas of classrooms throughout the day. Deep sterilization will be done on Saturday.</p> <p><b>Screening:</b> We have 2 designated people to perform health checks on all children and others entering the building.</p> <p>Parents pull up along the outer curb of the church sanctuary for drop off. We then check the temperature of each child using a contactless thermometer, record what time they arrived, who dropped off, and if they passed or failed the health check. *If a student fails the health check, they will not be allowed to enter the building. All staff will self-screen.</p> <p>Any students that appear to have symptoms while at school will immediately be put into the designated isolation room. Parents will be called to pick-up student immediately. While in isolation, a staff member will monitor said child, both wearing proper PPE, and will keep as much physical distance as possible.</p> <p><b>Daily student/cohort logs:</b> The school will use daily student attendance and record each student's Health Check for the purpose of student/cohort contact tracing. *Health Checks are performed on each student/visitor before they enter the building.</p> <p>Each classroom has a clipboard that each staff member will sign in and out of as they enter and exit a room for contact tracing purposes.</p> <p>Parent/guardian names and emergency contact information is stored in the school's Gradelink database. Paper hard copies are kept in the office, as well as with each teacher. All staff (including itinerant staff, substitutes, and guest teachers) names who interact with a stable cohort or individual student will be logged. The school will record/keep daily logs to be used for contact tracing for a minimum of four weeks to assist the LPHA as needed.</p>

#### 1b. HIGH-RISK POPULATIONS

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> Serve students in high-risk population(s) whether learning is happening through On-Site, Hybrid (partially On-Site and partially Comprehensive Distance Learning models), or Comprehensive Distance Learning models.</li> </ul> <p><b>Medically Fragile, Complex and Nursing-Dependent Student Requirements</b></p>	<p><b>High-Risk Populations:</b></p> <p>All staff and students will be given the opportunity to self-identify as venerable or living with a venerable family member. Staff and school administrators will work with interdisciplinary teams to address individual student needs. The school does not have a school registered nurse on staff. The staff and school administrators will communicate</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> All districts must account for students who have health conditions that require additional nursing services. Oregon law (<a href="#">ORS 336.201</a>) defines three levels of severity related to required nursing services:</p> <ol style="list-style-type: none"> <li>1. Medically Complex: Are students who may have an unstable health condition and who may require daily professional nursing services.</li> <li>2. Medically Fragile: Are students who may have a life-threatening health condition and who may require immediate professional nursing services.</li> <li>3. Nursing-Dependent: Are students who have an unstable or life-threatening health condition and who require daily, direct, and continuous professional nursing services.</li> </ol> <p><input checked="" type="checkbox"/> Staff and school administrators, in partnership with school nurses, or other school health providers, should work with interdisciplinary teams to address individual student needs. The school registered nurse (RN) is responsible for nursing care provided to individual students as outlined in ODE guidance and state law:</p> <ul style="list-style-type: none"> <li>• Communicate with parents and health care providers to determine return to school status and current needs of the student.</li> <li>• Coordinate and update other health services the student may be receiving in addition to nursing services. This may include speech language pathology, occupational therapy, physical therapy, as well as behavioral and mental health services.</li> <li>• Modify Health Management Plans, Care Plans, IEPs, or 504 or other student-level medical plans, as indicated, to address current health care considerations.</li> <li>• The RN practicing in the school setting should be supported to remain up to date on current guidelines and access professional support such as evidence-based resources from the <a href="#">Oregon School Nurses Association</a>.</li> <li>• Service provision should consider health and safety as well as legal standards.</li> <li>• Appropriate medical-grade personal protective equipment (PPE) should be made available to <a href="#">nurses and other health providers</a>.</li> <li>• Work with an interdisciplinary team to meet requirements of ADA and FAPE.</li> <li>• High-risk individuals may meet criteria for exclusion during a local health crisis.</li> <li>• Refer to updated state and national guidance and resources such as: <ul style="list-style-type: none"> <li>○ U.S. Department of Education Supplemental Fact Sheet: Addressing the Risk of COVID-19 in Preschool, Elementary and Secondary Schools While Serving Children with Disabilities from March 21, 2020.</li> <li>○ ODE guidance updates for Special Education. Example from March 11, 2020.</li> <li>○ OAR 581-015-2000 Special Education, requires districts to provide 'school health services and school nurse services' as part of the 'related services' in order 'to assist a child with a disability to benefit from special education.'</li> <li>○ OAR 333-019-0010 Public Health: Investigation and Control of Diseases: General Powers and Responsibilities, outlines authority and responsibilities for school exclusion.</li> </ul> </li> </ul>	<p>with parents to determine return to school status and current needs of the student. Service provision will consider health and safety as well as legal standards. High-risk individuals may meet criteria for exclusion during a local health crisis.</p> <p>Proper PPE will be provided for who offer health assistance to students.</p>

### 1c. PHYSICAL DISTANCING

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Establish a minimum of 35 square feet per person when determining room capacity. Calculate only with usable classroom space, understanding that desks and room set-up will require use of all space in the calculation. This also applies for professional development and staff gatherings.</li> <li>☒ Support physical distancing in all daily activities and instruction, maintaining six feet between individuals to the maximum extent possible.</li> <li>☒ Minimize time standing in lines and take steps to ensure that six feet of distance between students is maintained, including marking spacing on floor, one-way traffic flow in constrained spaces, etc.</li> <li>☒ Schedule modifications to limit the number of students in the building (e.g., rotating groups by days or location, staggered schedules to avoid hallway crowding and gathering).</li> <li>☒ Plan for students who will need additional support in learning how to maintain physical distancing requirements. Provide instruction; don't employ punitive discipline.</li> <li>☒ Staff must maintain physical distancing during all staff meetings and conferences, or consider remote web-based meetings.</li> </ul>	<p><b>Physical Distancing:</b> After removing extra furniture from the classroom, a minimum of 35 square feet per person will be used to determine room capacity. Only usable classroom space will be used in the calculations.</p> <p>The staff and teachers will stress physical distancing in all daily activities and instruction, maintain at least six feet between individuals to the maximum extent possible.</p> <p>To ensure that six feet of distance between students is maintained to the maximum extent possible, teachers will minimize time students are standing in lines and take steps to maintain physical distancing when in lines.</p> <p>Recess and PE schedules will be staggered to avoid hallway crowding and gathering. All students will eat their snacks/lunches in their classrooms.</p> <p>Staff will also practice safe distancing from one another as much as possible.</p>

### 1d. COHORTING

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Where feasible, establish stable cohorts: groups shall be no larger than can be accommodated by the space available to provide 35 square feet per person, including staff. <ul style="list-style-type: none"> <li>• The smaller the cohort, the less risk of spreading disease. As cohort groups increase in size, the risk of spreading disease increases.</li> </ul> </li> <li>☒ Students cannot be part of any single cohort, or part of multiple cohorts that exceed a total of 100 people within the educational week. Schools must plan to limit cohort sizes to allow for efficient contact-tracing and minimal risk for exposure. Cohorts may change week-to-week, but must be stable within the educational week.</li> <li>☒ Each school must have a system for daily logs to ensure contact tracing among the cohort (see section 1a of the <i>Ready Schools, Safe Learners</i> guidance).</li> <li>☒ Minimize interaction between students in different stable cohorts (e.g., access to restrooms, activities, common areas). Provide access to All Gender/Gender Neutral restrooms.</li> <li>☒ Cleaning and disinfecting surfaces (e.g., desks, door handles, etc.) must be maintained between multiple student uses, even in the same cohort.</li> <li>☒ Design cohorts such that all students (including those protected under ADA and IDEA) maintain access to general education, grade-level academic content standards, and peers.</li> <li>☒ Staff who interact with multiple stable cohorts must wash/sanitize their hands between interactions with different stable cohorts.</li> </ul>	<p><b>Cohorting:</b> Stable cohort groups will be established by their classroom designation where feasible. Cohorts will be kept small to minimize the risk of spreading disease.</p> <p>Daily attendance and sign-in/out records will serve as daily logs to provide contact tracing among the cohorts. Interaction between students in different stable cohorts will be minimized.</p> <p>Staff who interact with multiple stable cohorts will take precautions to minimize the spread of diseases.</p>

### 1e. PUBLIC HEALTH COMMUNICATION

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Communicate to staff at the start of On-Site instruction and at periodic intervals explaining infection control measures that are being implemented to prevent spread of disease.</li> <li>☒ Develop protocols for communicating with students, families and staff who have come into close contact with a person who has COVID-19.</li> </ul>	<p><b>Public Health Communication:</b> The school administration will develop communication to staff, students and families on the infection control measures being implemented to prevent spread of disease.</p> <p><b>Communication with Families:</b> See 1a</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>The definition of exposure is being within 6 feet of a person who has COVID-19 for at least 15 cumulative minutes in a day.</li> </ul> <p><input checked="" type="checkbox"/> Develop protocols for communicating immediately with staff, families, and the school community when a new case(s) of COVID-19 is diagnosed in students or staff members, including a description of how the school or district is responding.</p> <p><input checked="" type="checkbox"/> Provide all information in languages and formats accessible to the school community.</p>	

#### 1f. ENTRY AND SCREENING

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Direct students and staff to stay home if they, or anyone in their homes or community living spaces, have COVID-19 symptoms, or if anyone in their home or community living spaces has COVID-19. COVID-19 symptoms are as follows:</p> <ul style="list-style-type: none"> <li>Primary symptoms of concern: cough, fever (temperature of 100.4°F or higher) or chills, shortness of breath, difficulty breathing, or new loss of taste or smell.</li> <li>Note that muscle pain, headache, sore throat, diarrhea, nausea, vomiting, <i>new</i> nasal congestion, and runny nose are also symptoms often associated with COVID-19. More information about COVID-19 symptoms is available <a href="#">from CDC</a>.</li> <li>In addition to COVID-19 symptoms, students must be excluded from school for signs of other infectious diseases, per existing school policy and protocols. See pages 9-11 of OHA/ODE <a href="#">Communicable Disease Guidance for Schools</a>.</li> <li>Emergency signs that require immediate medical attention: <ul style="list-style-type: none"> <li>Trouble breathing</li> <li>Persistent pain or pressure in the chest</li> <li>New confusion or inability to awaken</li> <li>Bluish lips or face (lighter skin); greyish lips or face (darker skin)</li> <li>Other severe symptoms</li> </ul> </li> </ul> <p><input checked="" type="checkbox"/> Screen all students and staff for symptoms on entry to bus/school every day. This can be done visually and/or with confirmation from a parent/caregiver/guardian. Staff members can self-screen and attest to their own health.</p> <ul style="list-style-type: none"> <li>Anyone displaying or reporting the primary symptoms of concern must be isolated (see section 1i of the <b>Ready Schools, Safe Learners</b> guidance) and sent home as soon as possible. <a href="#">See table "Planning for COVID-19 Scenarios in Schools."</a></li> <li><a href="#">Additional guidance</a> for nurses and health staff.</li> </ul> <p><input checked="" type="checkbox"/> Follow LPHA advice on restricting from school any student or staff known to have been exposed (e.g., by a household member) to COVID-19. <a href="#">See table "Planning for COVID-19 Scenarios in Schools."</a></p> <p><input checked="" type="checkbox"/> Staff or students with a chronic or baseline cough that has worsened or is not well-controlled with medication must be excluded from school. Do not exclude staff or students who have other symptoms that are chronic or baseline symptoms (e.g., asthma, allergies, etc.) from school.</p>	<p><b>Entry and Screening:</b> All students and visitors will be screened before entry and have their temperature taken using a contactless thermometer.</p> <p>Any student or staff experiencing COVID-19 like symptoms or know that they have been exposed (e.g., by a household member) to COVID-19 will be directed to stay home/refer to the "Planning for COVID-19 Scenarios in Schools" toolkit: <a href="https://www.oregon.gov/ode/students-and-family/healthsafety/Documents/Planning%20and%20Responding%20to%20COVID-19%20Scenarios%20in%20Schools.pdf">https://www.oregon.gov/ode/students-and-family/healthsafety/Documents/Planning%20and%20Responding%20to%20COVID-19%20Scenarios%20in%20Schools.pdf</a></p> <p>All Staff will self-screen. They are required to report when they may have been exposed to COVID-19 and when they have symptoms related to COVID-19.</p> <p>Students or staff who have a cough that is not a new onset or worsening cough (e.g., asthma, allergies, etc.) will not be excluded from school. Parents/guardians can provide information regarding existing conditions that cause coughing to be utilized for the purpose of screening, as previously existing coughs that are not worsening are not considered symptomatic of COVID-19.</p> <p>Upon entry into the building, students will use hand sanitizer, be encouraged to social distance, and to stay with their cohorts.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Hand hygiene on entry to school every day: wash with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol.	

### 1g. VISITORS/VOLUNTEERS

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Restrict non-essential visitors/volunteers. <ul style="list-style-type: none"> <li>Examples of essential visitors include: DHS Child Protective Services, Law Enforcement, etc.</li> <li>Examples of non-essential visitors/volunteers include: Parent Teacher Association (PTA), classroom volunteers, etc.</li> </ul> <input checked="" type="checkbox"/> Screen all visitors/volunteers for symptoms upon every entry. Restrict from school property any visitor known to have been exposed to COVID-19. <a href="#">See table "Planning for COVID-19 Scenarios in Schools."</a> <input checked="" type="checkbox"/> Visitors/volunteers must wash or sanitize their hands upon entry and exit. <input checked="" type="checkbox"/> Visitors/volunteers must maintain six-foot distancing, wear face coverings, and adhere to all other provisions of this guidance.	<b>Visitors/Volunteers:</b> All visitors and volunteers will be screened for symptoms and have their temperature taken upon every entry. All visitors/volunteers will be recorded in our daily Health Check record.  Visitors/volunteers will need to sanitize their hands upon entry and exit.  Visitors/volunteers will need to maintain a six-foot distancing, wear face coverings, and adhere to all other provisions of this guidance.

### 1h. FACE COVERINGS, FACE SHIELDS, AND CLEAR PLASTIC BARRIERS

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Face coverings or face shields for all staff, contractors, other service providers, visitors or volunteers following <a href="#">CDC guidelines for Face Coverings</a> . Individuals may remove their face coverings while working alone in private offices. Face shields are an acceptable alternative when a person has a medical condition that prevents them from wearing a mask or face covering, when people need to see mouth and tongue motions in order to communicate, or when an individual is speaking to an audience for a short period of time and clear communication is otherwise not possible. <input checked="" type="checkbox"/> Face coverings or face shields for all students in grades Kindergarten and up following <a href="#">CDC guidelines for Face Coverings</a> . Face shields are an acceptable alternative when a student has a medical condition that prevents them from wearing a mask or face covering, or when people need to see the student's mouth and tongue motions in order to communicate. <input checked="" type="checkbox"/> Face coverings should be worn both indoors and outdoors, including during outdoor recess. <input checked="" type="checkbox"/> Group mask breaks" or "full classroom mask breaks" are not allowed. If a student removes a face covering, or demonstrates a need to remove the face covering for a short-period of time: <ul style="list-style-type: none"> <li>Provide space away from peers while the face covering is removed. In the classroom setting, an example could be a designated chair where a student can sit and take a 15 minute "sensory break;"               <ul style="list-style-type: none"> <li>Students must not be left alone or unsupervised;</li> <li>Designated area or chair must be appropriately distanced from other students and of a material that is easily wiped down for disinfection after each use;</li> </ul> </li> <li>Provide additional instructional supports to effectively wear a face covering;</li> <li>Provide students adequate support to re-engage in safely wearing a face covering;</li> <li>Students cannot be discriminated against or disciplined for an inability to safely wear a face covering during the school day.</li> </ul> <input checked="" type="checkbox"/> Face masks for school RNs or other medical personnel when providing direct contact care and monitoring of staff/students displaying symptoms. School nurses shall also wear appropriate Personal Protective Equipment (PPE) for their role. <ul style="list-style-type: none"> <li><a href="#">Additional guidance</a> for nurses and health staff.</li> </ul>	<b>Face Coverings, Face Shields, and Clear Plastic Barriers:</b> All staff, contractors, other service providers, visitors or volunteers are required to wear a facial covering, following the CDC guidelines, unless they are working in private.  All students, kindergarten and up will be required to wear a facial covering per the CDC guidelines.  MCA will not deny in-person instruction for students with existing medical conditions and a physician's orders to not wear face coverings, or other health related concerns. We will evaluate students who may need an accommodation for a facial covering and will find a solution for that individual student.  If a staff member requires an accommodation for the face covering or face shield requirements, we will work to limit the staff member's proximity to students and staff to the extent possible to minimize the possibility of exposure.  Children under the age of 5 or not yet in kindergarten, are not required to wear a facial covering.  Children of any age should not wear a face covering if the student has an existing medical conditions and a physician's orders to not wear face coverings, they experience a disability that prevents them from wearing a face covering, or while sleeping.  If a staff member requires an accommodation for the face covering requirements, we will work to find a facial covering that works best for them.  Students cannot be discriminated against or disciplined for an inability to safely wear a face covering during the school day.

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><b>Protections under the ADA or IDEA:</b></p> <ul style="list-style-type: none"> <li>☒ If any student requires an accommodation to meet the requirement for face coverings, districts and schools must limit the student's proximity to students and staff to the extent possible to minimize the possibility of exposure. Appropriate accommodations could include:             <ul style="list-style-type: none"> <li>• Offering different types of face coverings and face shields that may meet the needs of the student.</li> <li>• Spaces away from peers while the face covering is removed; students must not be left alone or unsupervised.</li> <li>• Short periods of the educational day that do not include wearing the face covering, while following the other health strategies to reduce the spread of disease.</li> <li>• Additional instructional supports to effectively wear a face covering.</li> </ul> </li> <li>☒ For students with existing medical conditions and a physician's orders to not wear face coverings, or other health related concerns, schools/districts <b>must not</b> deny any in-person instruction.</li> <li>☒ Schools and districts must comply with the established IEP/504 plan prior to the closure of in-person instruction in March of 2020, or the current plan in effect for the student if appropriately developed after March of 2020.             <ul style="list-style-type: none"> <li>• If a student eligible for, or receiving services under a 504/IEP, <b>cannot</b> wear a face covering due to the nature of the disability, the school or district must:                 <ol style="list-style-type: none"> <li>1. Review the 504/IEP to ensure access to instruction in a manner comparable to what was originally established in the student's plan including on-site instruction with accommodations or adjustments.</li> <li>2. Not make placement determinations solely on the inability to wear a face covering.</li> <li>3. Include updates to accommodations and modifications to support students in plans.</li> </ol> </li> <li>• For students protected under ADA/IDEA, who abstain from wearing a face covering, or students whose families determine the student will not wear a face covering, the school or district must:                 <ol style="list-style-type: none"> <li>1. Review the 504/IEP to ensure access to instruction in a manner comparable to what was originally established in the student's plan.</li> <li>2. The team must determine that the disability is not prohibiting the student from meeting the requirement.                     <ul style="list-style-type: none"> <li>• If the team determines that the disability is prohibiting the student from meeting the requirement, follow the requirements for students eligible for, or receiving services under, a 504/IEP who cannot wear a face covering due to the nature of the disability,</li> <li>• If a student's 504/IEP plan included supports/goals/instruction for behavior or social emotional learning, the school team must evaluate the student's plan prior to providing instruction through Comprehensive Distance Learning.</li> </ul> </li> <li>3. Hold a 504/IEP meeting to determine equitable access to educational opportunities which may include limited in-person instruction, on-site instruction with accommodations, or Comprehensive Distance Learning.</li> </ol> </li> </ul> </li> <li>☒ For students not currently served under an IEP or 504, districts must consider whether or not student inability to consistently wear a face covering or face shield as required is due to a disability. Ongoing inability to meet this requirement may be</li> </ul>	

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>evidence of the need for an evaluation to determine eligibility for support under IDEA or Section 504.</p> <p><input checked="" type="checkbox"/> If a staff member requires an accommodation for the face covering or face shield requirements, districts and schools shall work to limit the staff member's proximity to students and staff to the extent possible to minimize the possibility of exposure.</p>	

### 1i. ISOLATION AND QUARANTINE

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Protocols for exclusion and isolation for sick students and staff whether identified at the time of bus pick-up, arrival to school, or at any time during the school day.</p> <p><input checked="" type="checkbox"/> Protocols for screening students, as well as exclusion and isolation protocols for sick students and staff identified at the time of arrival or during the school day.</p> <ul style="list-style-type: none"> <li>Work with school nurses, health care providers, or other staff with expertise to determine necessary modifications to areas where staff/students will be isolated. If two students present COVID-19 symptoms at the same time, they must be isolated at once. If separate rooms are not available, ensure that six feet distance is maintained. Do not assume they have the same illness.</li> <li>Consider required physical arrangements to reduce risk of disease transmission.</li> <li>Plan for the needs of generally well students who need medication or routine treatment, as well as students who may show signs of illness.</li> <li><a href="#">Additional guidance</a> for nurses and health staff for providing care to students with complex needs.</li> </ul> <p><input checked="" type="checkbox"/> Students and staff who report or develop symptoms must be isolated in a designated isolation area in the school, with adequate space and staff supervision and symptom monitoring by a school nurse, other school-based health care provider or school staff until they are able to go home. Anyone providing supervision and symptom monitoring must wear appropriate face covering or face shields.</p> <ul style="list-style-type: none"> <li>School nurse and health staff in close contact with symptomatic individuals (less than 6 feet) must wear a medical-grade face mask. Other Personal Protective Equipment (PPE) may be needed depending on symptoms and care provided. Consult a nurse or health care professional regarding appropriate use of PPE. Any PPE used during care of a symptomatic individual must be properly removed and disposed of prior to exiting the care space.</li> <li>After removing PPE, hands shall be immediately cleaned with soap and water for at least 20 seconds. If soap and water are not available, hands can be cleaned with an alcohol-based hand sanitizer that contains 60-95% alcohol.</li> <li>If able to do so safely, a symptomatic individual shall wear a face covering.</li> <li>To reduce fear, anxiety, or shame related to isolation, provide a clear explanation of procedures, including use of PPE and handwashing.</li> </ul> <p><input checked="" type="checkbox"/> Establish procedures for safely transporting anyone who is sick to their home or to a health care facility.</p> <p><input checked="" type="checkbox"/> Staff and students who are ill must stay home from school and must be sent home if they become ill at school, particularly if they have COVID-19 symptoms. Refer to table in <a href="#">"Planning for COVID-19 Scenarios in Schools."</a></p> <p><input checked="" type="checkbox"/> Involve school nurses, School Based Health Centers, or staff with related experience (Occupational or Physical Therapists) in</p>	<p><b>Isolation and Quarantine:</b></p> <p>All students who become ill at school with excludable symptoms will remain at school supervised by staff until parents can pick them up in the designated isolation area. The student will be provided a facial covering (if they can safely wear one). The staff should wear a facial covering or face shield and maintain physical distancing, but never leave a child unattended.</p> <p>We will exercise caution to maintain safety is appropriate when working with children exhibiting symptoms. It is also critical that staff maintain sufficient composure and disposition so as not to unduly worry a student or family.</p> <p>If a staff member becomes ill at school with excludable symptoms will be sent home immediately.</p> <p>If any students, staff, or essential volunteers become ill with COVID-19 symptoms we will refer to the "Planning for COVID-19 Scenarios in School" toolkit.</p> <p>We will record and monitor the students and staff being isolated or sent home for the LPHA review.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>development of protocols and assessment of symptoms (where staffing exists).</p> <p><input checked="" type="checkbox"/> Record and monitor the students and staff being isolated or sent home for the LPHA review.</p>	

## 2. Facilities and School Operations

Some activities and areas will have a higher risk for spread (e.g., band, choir, science labs, locker rooms). When engaging in these activities within the school setting, schools will need to consider additional physical distancing or conduct the activities outside (where feasible). Additionally, schools should consider sharing explicit risk statements for instructional and extra-curricular activities requiring additional considerations (see section 5f of the **Ready Schools, Safe Learners** guidance).

### 2a. ENROLLMENT

*(Note: Section 2a does not apply to private schools.)*

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input type="checkbox"/> Enroll all students (including foreign exchange students) following the standard Oregon Department of Education guidelines.</p> <p><input type="checkbox"/> The temporary suspension of the 10-day drop rule does not change the rules for the initial enrollment date for students:</p> <ul style="list-style-type: none"> <li>The ADM enrollment date for a student is the first day of the student's actual attendance.</li> <li>A student with fewer than 10 days of absence at the beginning of the school year may be counted in membership prior to the first day of attendance, but not prior to the first calendar day of the school year.</li> <li>If a student does not attend during the first 10 session days of school, the student's ADM enrollment date must reflect the student's actual first day of attendance.</li> <li>Students who were anticipated to be enrolled, but who do not attend at any time must not be enrolled and submitted in ADM.</li> </ul> <p><input type="checkbox"/> If a student has stopped attending for 10 or more days, districts must continue to try to engage the student. At a minimum, districts must attempt to contact these students and their families weekly to either encourage attendance or receive confirmation that the student has transferred or has withdrawn from school. This includes students who were scheduled to start the school year, but who have not yet attended.</p> <p><input type="checkbox"/> When enrolling a student from another school, schools must request documentation from the prior school within 10 days of enrollment per OAR 581-021-0255 to make all parties aware of the transfer. Documentation obtained directly from the family does not relieve the school of this responsibility. After receiving documentation from another school that a student has enrolled, drop that student from your roll.</p> <p><input type="checkbox"/> Design attendance policies to account for students who do not attend in-person due to student or family health and safety concerns.</p> <p><input type="checkbox"/> When a student has a pre-excused absence or COVID-19 absence, the school district must reach out to offer support at least weekly until the student has resumed their education.</p> <p><input type="checkbox"/> When a student is absent beyond 10 days and meets the criteria for continued enrollment due to the temporary suspension of the 10 day drop rule, continue to count them as absent for those days and include those days in your Cumulative ADM reporting.</p>	<p>Not applicable (Section 2a does not apply to private schools).</p>

## 2b. ATTENDANCE

(Note: Section 2b does not apply to private schools.)

OHA/ODE Requirements	Hybrid/Onsite Plan
<input type="checkbox"/> Grades K-5 (self-contained): Attendance must be taken at least once per day for all students enrolled in school, regardless of the instructional model (On-Site, Hybrid, Comprehensive Distance Learning, online schools). <input type="checkbox"/> Grades 6-12 (individual subject): Attendance must be taken at least once for each scheduled class that day for all students enrolled in school, regardless of the instructional model (On-Site, Hybrid, Comprehensive Distance Learning, online schools). <input type="checkbox"/> Alternative Programs: Some students are reported in ADM as enrolled in a non-standard program (such as tutorial time), with hours of instruction rather than days present and days absent. Attendance must be taken at least once for each scheduled interaction with each student, so that local systems can track the student's attendance and engagement. Reported hours of instruction continue to be those hours in which the student was present. <input type="checkbox"/> Online schools that previously followed a two check-in per week attendance process must follow the Comprehensive Distance Learning requirements for checking and reporting attendance. <input type="checkbox"/> Provide families with clear and concise descriptions of student attendance and participation expectations as well as family involvement expectations that take into consideration the home environment, caregiver's work schedule, and mental/physical health.	Not applicable (Section 2b does not apply to private schools).

## 2c. TECHNOLOGY

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Update procedures for district-owned or school-owned devices to match cleaning requirements (see section 2d of the <b>Ready Schools, Safe Learners</b> guidance). <input checked="" type="checkbox"/> Procedures for return, inventory, updating, and redistributing district-owned devices must meet physical distancing requirements.	<p><b>Technology:</b> Students are required to use their own devices. MCA will provide laptops as needed. The staff will clean and sanitize each device brought in for updates, repair, return, inventory, or redistribution.</p> <p>In the event of a student, classroom/cohort being sent home due to COVID-19, the school will have them continue doing their Abeka curriculum online and packets will be sent home for the children to work on. If needed, prerecorded DVD's will be sent home with students where Internet and computers are not available.</p>

## 2d. SCHOOL SPECIFIC FUNCTIONS/FACILITY FEATURES

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> <b>Handwashing:</b> All people on campus shall be advised and encouraged to frequently wash their hands or use hand sanitizer. <input checked="" type="checkbox"/> <b>Equipment:</b> Develop and use sanitizing protocols for all equipment used by more than one individual or purchase equipment for individual use. <input checked="" type="checkbox"/> <b>Events:</b> Cancel, modify, or postpone field trips, assemblies, athletic events, practices, special performances, school-wide parent meetings and other large gatherings to meet requirements for physical distancing. <input checked="" type="checkbox"/> <b>Transitions/Hallways:</b> Limit transitions to the extent possible. Create hallway procedures to promote physical distancing and minimize gatherings. <input checked="" type="checkbox"/> <b>Personal Property:</b> Establish policies for personal property being brought to school (e.g., refillable water bottles, school supplies, headphones/earbuds, cell phones, books, instruments, etc.). If personal items are brought to school, they must be labeled prior to entering school and use shall be limited to the item owner.	<p><b>School Specific Functions/Facility Features:</b></p> <ul style="list-style-type: none"> <li>• <b>Handwashing:</b> All students will have access to hand washing prior to lunch and after recess. Frequent opportunities for hand washing will be provided throughout the school day. Hand washing can be supplemented with the use of hand sanitizer when handwashing isn't available.</li> <li>• <b>Equipment:</b> Supplies will be cleaned and sanitized before use by another student.</li> <li>• <b>Events:</b> All assemblies, chapels, practices, special performances, school-wide meetings, field trips and other large gatherings will be cancelled or modified in a manner that meets requirements for physical distancing.</li> </ul>

OHA/ODE Requirements	Hybrid/Onsite Plan
	<ul style="list-style-type: none"> <li>● <b>Transitions/Hallways:</b> Transitions by classrooms/cohort groups will be staggered to reduce contact.</li> <li>● <b>Personal Property:</b> All personal property will be labeled and limited to owner use only.</li> </ul>

## 2e. ARRIVAL AND DISMISSAL

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Physical distancing, stable cohorts, square footage, and cleaning requirements must be maintained during arrival and dismissal procedures.</li> <li>☒ Create schedule(s) and communicate staggered arrival and/or dismissal times.</li> <li>☒ Assign students or cohorts to an entrance; assign staff member(s) to conduct visual screenings (see section 1f of the <i>Ready Schools, Safe Learners</i> guidance).</li> <li>☒ Ensure accurate sign-in/sign-out protocols to help facilitate contact tracing by the LPHA. Sign-in procedures are not a replacement for entrance and screening requirements. Students entering school after arrival times must be screened for the primary symptoms of concern. <ul style="list-style-type: none"> <li>● Eliminate shared pen and paper sign-in/sign-out sheets.</li> <li>● Ensure hand sanitizer is available if signing children in or out on an electronic device.</li> </ul> </li> <li>☒ Ensure alcohol-based hand sanitizer (with 60-95% alcohol) dispensers are easily accessible near all entry doors and other high-traffic areas. Establish and clearly communicate procedures for keeping caregiver drop-off/pick-up as brief as possible.</li> </ul>	<p><b>Arrival and Dismissal:</b></p> <p>Upon arrival, students will be screened, use hand sanitizer, be encouraged to social distance, and to stay with their cohorts. During dismissal students will be required to continue following all guidelines.</p> <p>Families have a window of time that they can drop off/pick students up that way times are slightly staggered. Students will wait for their grownups outside in their stable cohorts.</p> <p>Students will be screened and have their temp checked by the staff upon arrival. If the screening indicates that a student may be symptomatic, the student will not be allowed into the building.</p> <p>One of the staff members that perform the health checks will be designated to sign each student in/out to ensure accuracy and to eliminate the sharing of pens.</p> <p>Hand sanitizer will be placed near all entry doors and other high-traffic areas to allow for easier access.</p>

## 2f. CLASSROOMS/REPURPOSED LEARNING SPACES

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ <b>Seating:</b> Rearrange student desks and other seat spaces so that staff and students' physical bodies are six feet apart to the maximum extent possible while also maintaining 35 square feet per person; assign seating so students are in the same seat at all times.</li> <li>☒ <b>Materials:</b> Avoid sharing of community supplies when possible (e.g., scissors, pencils, etc.). Clean these items frequently. Provide hand sanitizer and tissues for use by students and staff.</li> <li>☒ <b>Handwashing:</b> Remind students (with signage and regular verbal reminders from staff) of the utmost importance of hand hygiene and respiratory etiquette. Respiratory etiquette means covering coughs and sneezes with an elbow or a tissue. Tissues shall be disposed of in a garbage can, then hands washed or sanitized immediately. <ul style="list-style-type: none"> <li>● Wash hands with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol.</li> </ul> </li> </ul>	<p><b>Classrooms/Repurposed Learning Spaces:</b></p> <ul style="list-style-type: none"> <li>● <b>Seating:</b> Classroom desks and other seat spaces will be arranged so that students' physical bodies are six feet apart to the maximum extent possible while also maintaining 35 square feet per person. Seating will be assigned so students are in the same seat at all times.</li> <li>● <b>Materials:</b> Each classroom will limit the sharing of community supplies when possible (e.g., scissors, pencils, etc.). If needed to share, these items will be cleaned frequently. Hand sanitizer and tissues will be available for use by students and staff.</li> <li>● <b>Handwashing:</b> All students will wash or sanitize their hands prior to lunch. Additional hand washing or hand sanitizing opportunities will be provided throughout the school day, such as when transitioning between activities, before and after every snack and meal, after coming inside, after sneezing, blowing the nose, or coughing.</li> </ul> <p>Signage at sinks/hand washing stations will remind students and staff of effective handwashing practices.</p>

## 2g. PLAYGROUNDS, FIELDS, RECESS, BREAKS, AND RESTROOMS

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Keep school playgrounds closed to the general public until park playground equipment and benches reopen in the community (see Oregon Health Authority's <a href="#">Specific Guidance for Outdoor Recreation Organizations</a>).</li> </ul>	<p><b>Playgrounds, Fields, Recess, Breaks, and Restrooms:</b></p> <p>The playground will remain closed to the general public, family members of students, and visitors until park playground equipment and benches reopen in the community for public use. Classes/cohorts</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ After using the restroom students must wash hands with soap and water for 20 seconds. Soap must be made available to students and staff.</li> <li>☒ Before and after using playground equipment, students must wash hands with soap and water for 20 seconds <u>or</u> use an alcohol-based hand sanitizer with 60-95% alcohol.</li> <li>☒ Designate playground and shared equipment solely for the use of one cohort at a time. Outdoor playground structures require normal routine cleaning and do not require disinfection. Shared equipment (balls, jump ropes, etc.) should be cleaned and disinfected at least daily in accordance with <a href="#">CDC guidance</a>.</li> <li>☒ Cleaning requirements must be maintained (see section 2j of the <i>Ready Schools, Safe Learners</i> guidance).</li> <li>☒ Maintain physical distancing requirements, stable cohorts, and square footage requirements.</li> <li>☒ Provide signage and restrict access to outdoor equipment (including sports equipment, etc.).</li> <li>☒ Design recess activities that allow for physical distancing and maintenance of stable cohorts.</li> <li>☒ Clean all outdoor equipment at least daily or between use as much as possible in accordance with <a href="#">CDC guidance</a>.</li> <li>☒ Limit the number of employees gathering in shared spaces. Restrict use of shared spaces such as conference rooms, break rooms, and elevators by limiting occupancy or staggering use, maintaining six feet of distance between adults. Establish a minimum of 35 square feet per person when determining room capacity. Calculate only with usable space, understanding that tables and room set-up will require use of all space in the calculation.</li> </ul>	<p>may use the playground for recess on a staggered scheduled throughout the school day.</p> <p>Before and after going to recess, students must wash hands with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol. Before and after using playground, outdoor, or gym equipment, students must wash hands with soap and water for 20 seconds or use hand sanitizer.</p> <p>Playground equipment, outdoor equipment (including sports equipment), gym equipment, and shared equipment will be designated solely for the use of one cohort at a time. This equipment will be disinfected at least daily or between cohorts use as much as possible, in accordance with CDC guidance.</p> <p>Recess and PE activities will be planned to support physical distancing and maintain stable cohorts. This can include limiting the number of students on one piece of equipment, at one game, etc.</p> <p>Classes may use the outdoor area or gym for recess/PE if/when available. If the outdoor area/gym is not available, students can have recess in their classroom.</p> <p>Staff rooms, common staff lunch areas, and workspaces will be limited to single person usage at a time, maintaining six feet of distance between adults.</p>

## 2h. MEAL SERVICE/NUTRITION

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ Include meal services/nutrition staff in planning for school reentry.</li> <li>☒ Prohibit self-service buffet-style meals.</li> <li>☒ Prohibit sharing of food and drinks among students and/or staff.</li> <li>☒ At designated meal or snack times, students may remove their face coverings to eat or drink but must maintain six feet of physical distance from others, and must put face coverings back on after finishing the meal or snack.</li> <li>☒ Staff serving meals and students interacting with staff at mealtimes must wear face coverings (see section 1h of the <i>Ready Schools, Safe Learners</i> guidance).</li> <li>☒ Students must wash hands with soap and water for 20 seconds <u>or</u> use an alcohol-based hand sanitizer with 60-95% alcohol before meals and shall be encouraged to do so after.</li> <li>☒ Appropriate daily cleaning of meal items (e.g., plates, utensils, transport items).</li> <li>☒ Cleaning and sanitizing of meal touch-points and meal counting system between stable cohorts.</li> <li>☒ Adequate cleaning and disinfection of tables between meal periods.</li> <li>☒ Since staff must remove their face coverings during eating and drinking, limit the number of employees gathering in shared spaces. Restrict use of shared spaces such as conference rooms and break rooms by limiting occupancy or staggering use. Consider staggering times for staff breaks, to prevent congregation in shared spaces. Always maintain at least six feet of physical distancing and establish a minimum of 35 square feet per person when determining room capacity. Calculate only with usable classroom space, understanding that desks and room set-up will</li> </ul>	<p><b>Meal Service/Nutrition:</b> Families are responsible for providing all means and snacks for their student(s).</p> <p>All students will eat lunch in their classroom unless weather permits eating outside in cohort groups.</p> <p>All students must wash hands prior to meals.</p> <p>Students will wash hands in the classroom. If not, follow hallway and restroom procedures above.</p> <p>Students will not share utensils, food, or other items during meals.</p> <p>Each table/desk will be cleaned prior to meals being consumed.</p> <p>Staff rooms, common staff lunch areas, and workspaces will be limited to single person usage at a time, maintaining six feet of distance between adults.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
require use of all space in the calculation. Wear face coverings except when eating or drinking and minimize time in spaces where face coverings are not consistently worn.	

## 2i. TRANSPORTATION

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input type="checkbox"/> Include transportation departments (and associated contracted providers, if used) in planning for return to service.</li> <li><input type="checkbox"/> Buses are cleaned frequently. Conduct targeted cleanings between routes, with a focus on disinfecting frequently touched surfaces of the bus (see section 2j of the <b>Ready Schools, Safe Learners</b> guidance).</li> <li><input checked="" type="checkbox"/> Staff must use hand sanitizer (containing between 60-95% alcohol) in between helping each child and when getting on and off the vehicle. Gloves are not recommended; hand sanitizer is strongly preferred. If hand sanitizer is not available, disposable gloves can be used and must be changed to a new pair before helping each child.</li> <li><input checked="" type="checkbox"/> Develop protocol for loading/unloading that includes visual screening for students exhibiting symptoms and logs for contact-tracing. This must be done at the time of arrival and departure. <ul style="list-style-type: none"> <li>• If a student displays COVID-19 symptoms, provide a face covering (unless they are already wearing one) and keep six feet away from others. Continue transporting the student. <ul style="list-style-type: none"> <li>○ The symptomatic student shall be seated in the first row of the bus during transportation, and multiple windows must be opened to allow for fresh air circulation, if feasible.</li> <li>○ The symptomatic student shall leave the bus first. After all students exit the bus, the seat and surrounding surfaces must be cleaned and disinfected.</li> </ul> </li> <li>• If arriving at school, notify staff to begin isolation measures. <ul style="list-style-type: none"> <li>○ If transporting for dismissal and the student displays an onset of symptoms, notify the school.</li> </ul> </li> </ul> </li> <li><input checked="" type="checkbox"/> Consult with parents/guardians of students who may require additional support (e.g., students who experience a disability and require specialized transportation as a related service) to appropriately provide service.</li> <li><input checked="" type="checkbox"/> Drivers must wear masks or face coverings while driving, unless the mask or face covering interferes with the driver's vision (e.g., fogging of eyeglasses). Drivers must wear face coverings when not actively driving and operating the bus, including while students are entering or exiting the vehicle. A face shield may be an acceptable alternative, as stated in Section 1h of the <b>Ready Schools, Safe Learners</b> guidance.</li> <li><input checked="" type="checkbox"/> Inform parents/guardians of practical changes to transportation service (i.e., physical distancing at bus stops and while loading/unloading, potential for increased route time due to additional precautions, sanitizing practices, and face coverings).</li> <li><input checked="" type="checkbox"/> Face coverings or face shields for all students in grades Kindergarten and up following <a href="#">CDC guidelines</a> applying the guidance in section 1h of the <b>Ready Schools, Safe Learners</b> guidance to transportation settings.</li> </ul>	<p><b>Transportation:</b> Students will be individually transported by their family or by individual family arranged cars. No buses or public transportation will be used to transport students.</p> <p>Upon arrival, designated staff members will conduct a health screening of all students prior to their entering the school building. Once class has begun, tardy students will be screened in the front office area. Logs of health screening will be kept for a minimum of 4 weeks.</p> <p>All students will be dropped off at a designated door, be met by a staff member, and come directly into the building to join their class. Parents will remain in their vehicle.</p> <p>At pick up, students will walk with their class outside of the church sanctuary where they will wait for their grownups in their own cohorts. Parents pull up along the curb, remaining in their vehicle. The teacher may communicate with parents during this time while maintaining social distancing and wearing a face covering or a face shield. Teachers will supervise the pick-up areas to ensure that their students are adhering to distancing guidelines.</p> <p>Students will be signed out by a designated staff member as parents arrive.</p> <p>Masks must be worn by all (except for preschool students) during the entire transportation process.</p>

## 2j. CLEANING, DISINFECTION, AND VENTILATION

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li><input checked="" type="checkbox"/> Clean, sanitize, and disinfect frequently touched surfaces (e.g. door handles, sink handles, drinking fountains, transport vehicles) and shared objects (e.g., toys, games, art supplies) between uses multiple times per day. Maintain clean and disinfected (<a href="#">CDC</a></li> </ul>	<p><b>Cleaning, Disinfection, and Ventilation:</b> Frequently touched surfaces (e.g., door and sink handles) and shared objects (e.g., toys, games, art supplies) will be sanitized multiple times per day. Environments, including classrooms, eating areas, and</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><a href="#">guidance</a>) environments, including classrooms, cafeteria settings and restrooms.</p> <ul style="list-style-type: none"> <li>☒ Outdoor playground structures require normal routine cleaning and do not require disinfection. Shared equipment should be cleaned and disinfected at least daily in accordance with <a href="#">CDC guidance</a>. Apply disinfectants safely and correctly following labeling direction as specified by the manufacturer. Keep these products away from students.</li> <li>☒ To reduce the risk of asthma, choose disinfectant products on the EPA List N with asthma-safer ingredients (e.g. hydrogen peroxide, citric acid, or lactic acid) and avoid products that mix these with asthma-causing ingredients like peroxyacetic acid, sodium hypochlorite (bleach), or quaternary ammonium compounds.</li> <li>☒ Schools with HVAC systems must evaluate the system to minimize indoor air recirculation (thus maximizing fresh outdoor air) to the extent possible. Schools that do not have mechanical ventilation systems shall, to the extent possible, increase natural ventilation by opening windows and interior doors before students arrive and after students leave, and while students are present. Do not prop open doors that can pose a safety or security risk to students and staff (e.g., exterior doors and fire doors that must remain closed).</li> <li>☒ Consider running ventilation systems continuously and changing the filters more frequently. Do <u>not</u> use fans if they pose a safety or health risk, such as increasing exposure to pollen/allergies or exacerbating asthma symptoms. Consider using window fans or box fans positioned in open windows to blow fresh outdoor air into the classroom via one window, and indoor air out of the classroom via another window. Fans must not be used in rooms with closed windows and doors, as this does not allow for fresh air to circulate.</li> <li>☒ Consider the need for increased ventilation in areas where students with special health care needs receive medication or treatments.</li> <li>☒ Facilities must be cleaned and disinfected at least daily to prevent transmission of the virus from surfaces (see <a href="#">CDC's guidance on disinfecting public spaces</a>).</li> <li>☒ Consider modification or enhancement of building ventilation where feasible (see <a href="#">CDC's guidance on ventilation and filtration</a> and <a href="#">American Society of Heating, Refrigerating, and Air-Conditioning Engineers' guidance</a>).</li> </ul>	<p>restrooms will be cleaned and disinfected on a frequent basis in accordance with CDC guidance.</p> <p>Outdoor playground structures will be cleaned as normal. Playground equipment will be cleaned and disinfected at least daily or between cohorts use as much as possible in accordance with CDC guidance.</p> <p>Disinfectants will be safely and correctly used following labeling directions as specified by the manufacturer. These products will be kept away from students. Only disinfectants will be used that will not exacerbate asthma or lung/breathing challenges.</p> <p>Ventilation systems will be checked and maintained. Ventilation procedures will be used to increase the circulation by using fans and through other methods when needed.</p>

## 2k. HEALTH SERVICES

OHA/ODE Requirements	Hybrid/Onsite Plan
<ul style="list-style-type: none"> <li>☒ OAR 581-022-2220 Health Services, requires districts to “maintain a prevention-oriented health services program for all students” including space to isolate sick students and services for students with special health care needs. While OAR 581-022-2220 does not apply to private schools, private schools must provide a space to isolate sick students and provide services for students with special health care needs.</li> <li>☒ Licensed, experienced health staff should be included on teams to determine district health service priorities. Collaborate with health professionals such as school nurses; SBHC staff; mental and behavioral health providers; dental providers; physical, occupational, speech, and respiratory therapists; and School Based Health Centers (SBHC).</li> </ul>	<p><b>Health Services:</b></p> <p>Isolation of Students: Students or staff who become sick or show signs of illness on campus will be isolated to designated isolation room(s). This space will be thoroughly cleaned and disinfected between each use. Students will be supervised until their parent arrives to pick them up. Supervising staff will maintain a safe distance while visibly being able to monitor the student. The school will collaborate with the LPHA as needed.</p>

## 2l. BOARDING SCHOOLS AND RESIDENTIAL PROGRAMS ONLY

OHA/ODE Requirements	Hybrid/Onsite Plan
<input type="checkbox"/> Provide specific plan details and adjustments in Operational Blueprints that address staff and student safety, which includes how you will approach: <ul style="list-style-type: none"> <li>• Contact tracing</li> <li>• The intersection of cohort designs in residential settings (by wing or common restrooms) with cohort designs in the instructional settings. The same cohorting parameter limiting total cohort size to 100 people applies.</li> <li>• Quarantine of exposed staff or students</li> <li>• Isolation of infected staff or students</li> <li>• Communication and designation of where the “household” or “family unit” applies to your residents and staff</li> </ul> <input type="checkbox"/> Review and take into consideration <a href="#">CDC guidance</a> for shared or congregate housing: <ul style="list-style-type: none"> <li>• Not allow more than two students to share a residential dorm room unless alternative housing arrangements are impossible</li> <li>• Ensure at least 64 square feet of room space per resident</li> <li>• Reduce overall residential density to ensure sufficient space for the isolation of sick or potentially infected individuals, as necessary;</li> <li>• Configure common spaces to maximize physical distancing;</li> <li>• Provide enhanced cleaning;</li> <li>• Establish plans for the containment and isolation of on-campus cases, including consideration of PPE, food delivery, and bathroom needs.</li> </ul> <p><b>Exception</b></p> <input type="checkbox"/> They have a current and complete RSSL Blueprint and are complying with Sections 1-3 of the <b>Ready Schools, Safe Learners</b> guidance and any other applicable sections, including Section 2L of the <b>Ready Schools, Safe Learners</b> guidance. <input type="checkbox"/> The school maintains a fully-closed residential campus (no non-essential visitors allowed), and normal day school operations are only offered remotely through distance learning. <input type="checkbox"/> There have been no confirmed cases of COVID-19 among school staff or students in the past 14 days. <input type="checkbox"/> Less than 10% of staff, employees, or contractors (in total) are traveling to or from campus. Staff in this designation will: <ul style="list-style-type: none"> <li>• Limit travel to essential functions.</li> <li>• Carefully monitor their own health daily and avoid coming to campus at any potential symptom of COVID-19.</li> </ul> <input type="checkbox"/> Any boarding students newly arriving to campus will either: <ul style="list-style-type: none"> <li>• Complete a quarantine at home for 14 days (or current CDC recommended time period) prior to traveling to the school, OR</li> <li>• Quarantine on campus for 14 days (or current CDC recommended time period).</li> </ul> <input type="checkbox"/> Student transportation off-campus is limited to medical care.	<p>Not applicable (MCA is not a boarding school or residential program).</p>

## 2m. SCHOOL EMERGENCY PROCEDURES AND DRILLS

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> In accordance with <a href="#">ORS 336.071</a> and <a href="#">OAR 581-022-2225</a> all schools (including those operating a Comprehensive Distance Learning model) are required to instruct students on emergency procedures. Schools that operate an On-Site or Hybrid model need to instruct and practice drills on emergency procedures so that students and staff can respond to emergencies. <ul style="list-style-type: none"> <li>• At least 30 minutes in each school month must be used to instruct students on the emergency procedures for fires,</li> </ul>	<p><b>School emergency procedures and drills:</b></p> <p>Students will be instructed and participate in monthly emergency drills as per usual.</p> <p>Drills will be carried out as closely as possible to the procedures that would be used in an actual emergency. Students will practice social distancing as much as possible during said drills.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>earthquakes (including tsunami drills in appropriate zones), and safety threats.</p> <ul style="list-style-type: none"> <li>• Fire drills must be conducted monthly.</li> <li>• Earthquake drills (including tsunami drills and instruction for schools in a tsunami hazard zone) must be conducted two times a year.</li> <li>• Safety threats including procedures related to lockdown, lockout, shelter in place and evacuation and other appropriate actions to take when there is a threat to safety must be conducted two times a year.</li> </ul> <p><input checked="" type="checkbox"/> Drills can and should be carried out <u>as close as possible</u> to the procedures that would be used in an actual emergency. For example, a fire drill must be carried out with the same alerts and same routes as normal. If appropriate and practicable, COVID-19 physical distancing measures can be implemented, but only if they do not compromise the drill.</p> <p><input checked="" type="checkbox"/> When or if physical distancing must be compromised, drills must be completed in less than 15 minutes.</p> <p><input checked="" type="checkbox"/> Drills shall not be practiced unless they can be practiced correctly.</p> <p><input checked="" type="checkbox"/> Train staff on safety drills prior to students arriving on the first day on campus in hybrid or face-to-face engagement.</p> <p><input type="checkbox"/> If on a hybrid schedule, conduct multiple drills each month to ensure that all cohorts of students have opportunities to participate in drills (i.e., schedule on different cohort days throughout the year).</p> <p><input checked="" type="checkbox"/> Students must wash hands with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol after a drill is complete.</p>	<p>Drills will be conducted in under 15 minutes if physical distancing must be compromised.</p> <p>Students will wash hands with soap and water for 20 seconds or use an alcohol-based hand sanitizer with 60-95% alcohol after a drill is complete.</p>

## 2n. SUPPORTING STUDENTS WHO ARE DYSREGULATED, ESCALATED, AND/OR EXHIBITING SELF-REGULATORY CHALLENGES

OHA/ODE Requirements	Hybrid/Onsite Plan
<p><input checked="" type="checkbox"/> Utilize the components of Collaborative Problem Solving or a similar framework to continually provide instruction and skill-building/training related to the student's demonstrated lagging skills.</p> <p><input checked="" type="checkbox"/> Take proactive/preventative steps to reduce antecedent events and triggers within the school environment.</p> <p><input checked="" type="checkbox"/> Be proactive in planning for known behavioral escalations (e.g., self-harm, spitting, scratching, biting, eloping, failure to maintain physical distance). Adjust antecedents where possible to minimize student and staff dysregulation. Recognize that there could be new and different antecedents and setting events with the additional requirements and expectations for the 2020-21 school year.</p> <p><input checked="" type="checkbox"/> Establish a proactive plan for daily routines designed to build self-regulation skills; self-regulation skill-building sessions can be short (5-10 minutes), and should take place at times when the student is regulated and/or is not demonstrating challenging behaviors.</p> <p><input checked="" type="checkbox"/> Ensure all staff are trained to support de-escalation, provide lagging skill instruction, and implement alternatives to restraint and seclusion.</p> <p><input checked="" type="checkbox"/> Ensure that staff are trained in effective, evidence-based methods for developing and maintaining their own level of self-regulation and resilience to enable them to remain calm and able to support struggling students as well as colleagues.</p> <p><input checked="" type="checkbox"/> Plan for the impact of behavior mitigation strategies on public health and safety requirements:</p> <ul style="list-style-type: none"> <li>• Student elopes from area <ul style="list-style-type: none"> <li>○ If staff need to intervene for student safety, staff should: <ul style="list-style-type: none"> <li>• Use empathetic and calming verbal interactions (i.e. "This seems hard right now. Help me understand...</li> </ul> </li> </ul> </li> </ul>	<p><b>Supporting students who are dysregulated, escalated, and/or exhibiting self-regulatory challenges:</b></p> <p>We will establish a proactive plan for daily routines and known behavioral escalations and trained all staff on how to support students who are dysregulated, escalated, and/or exhibiting self-regulatory challenges while planning for the impact of behavior mitigation strategies on public health and safety requirements.</p> <p>Collaborative problem solving or a similar frame work will be used to provide instruction and skill building training to the students.</p>

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>How can I help?") to attempt to re-regulate the student without physical intervention.</p> <ul style="list-style-type: none"> <li>• Use the least restrictive interventions possible to maintain physical safety for the student and staff.</li> <li>• Wash hands after a close interaction.</li> <li>• Note the interaction on the appropriate contact log.</li> </ul> <p>○ *If unexpected interaction with other stable cohorts occurs, those contacts must be noted in the appropriate contact logs.</p> <ul style="list-style-type: none"> <li>• Student engages in behavior that requires them to be isolated from peers and results in a room clear. <ul style="list-style-type: none"> <li>○ If students leave the classroom: <ul style="list-style-type: none"> <li>• Preplan for a clean and safe alternative space that maintains physical safety for the student and staff</li> <li>• Ensure physical distancing and separation occur, to the maximum extent possible.</li> <li>• Use the least restrictive interventions possible to maintain physical safety for the student and staff.</li> <li>• Wash hands after a close interaction.</li> <li>• Note the interaction on the appropriate contact log.</li> </ul> </li> <li>○ *If unexpected interaction with other stable cohorts occurs, those contacts must be noted in the appropriate contact logs.</li> </ul> </li> <li>• Student engages in physically aggressive behaviors that preclude the possibility of maintaining physical distance and/or require physical de-escalation or intervention techniques other than restraint or seclusion (e.g., hitting, biting, spitting, kicking, self-injurious behavior). <ul style="list-style-type: none"> <li>○ If staff need to intervene for student safety, staff should: <ul style="list-style-type: none"> <li>• Maintain student dignity throughout and following the incident.</li> <li>• Use empathetic and calming verbal interactions (i.e. "This seems hard right now. Help me understand... How can I help?") to attempt to re-regulate the student without physical intervention.</li> <li>• Use the least restrictive interventions possible to maintain physical safety for the student and staff</li> <li>• Wash hands after a close interaction.</li> <li>• Note the interaction on the appropriate contact log.</li> </ul> </li> </ul> </li> </ul> <p>*If unexpected interaction with other stable cohorts occurs, those contacts must be noted in the appropriate contact logs.</p> <p>☒ Ensure that spaces that are unexpectedly used to deescalate behaviors are appropriately cleaned and sanitized after use before the introduction of other stable cohorts to that space.</p>	

## 2o. PROTECTIVE PHYSICAL INTERVENTION

OHA/ODE Requirements	Hybrid/Onsite Plan
<p>☒ Reusable Personal Protective Equipment (PPE) must be cleaned and disinfected following the manufacturer's recommendation, after every episode of physical intervention (see section 2j. Cleaning, Disinfection, and Ventilation in the <i>Ready Schools, Safe Learners</i> guidance). Single-use disposable PPE must not be re-used.</p>	<p><b>Protective Physical Intervention:</b></p> <p>All PPE used by staff and students must be cleaned and disinfected following the manufacturer's recommendations after every use.</p> <p>Students will be asked to provide at least 2 masks a day in case of soiling.</p> <p>Single-use disposable PPE may not be re-used.</p>

### 3. Response to Outbreak

#### 3a. PREVENTION AND PLANNING

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Review the " <a href="#">Planning for COVID-19 Scenarios in Schools</a> " toolkit. <input checked="" type="checkbox"/> Coordinate with Local Public Health Authority (LPHA) to establish communication channels related to current transmission level.	<p><b>Prevention and Planning:</b>  MCA will coordinate with the LPHA to establish communication channels related to the current transmission level.</p> <p>Parents and the LPHA will be notified immediately if a confirmed case of COVID-19 is identified in one of the students or staff in the school. Once a directive is given to the school via the LPHA, stakeholders will again be notified in the same manner.</p> <p>When a diagnosed case is provided, the LPHA will provide a direct report and impose restrictions on contacts.</p>

#### 3b. RESPONSE

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Review and utilize the " <a href="#">Planning for COVID-19 Scenarios in Schools</a> " toolkit. <input checked="" type="checkbox"/> Ensure continuous services and implement Comprehensive Distance Learning. <input type="checkbox"/> Continue to provide meals for students.	<p><b>Response:</b> See section 1a.  If anyone who has been on campus is known to have been diagnosed with COVID-19, a report will be made to the LPHA and the LPHA will be consulted regarding cleaning and possible classroom or program closure.</p> <p>If a classroom or the school is closed due to an outbreak, Short-Term Distance Learning protocols will be implemented.</p> <p>Communication will be provided to parents and staff regarding the criteria that must be met in order for On-site instruction to resume and relevant timelines.</p>

#### 3c. RECOVERY AND REENTRY

OHA/ODE Requirements	Hybrid/Onsite Plan
<input checked="" type="checkbox"/> Review and utilize the " <a href="#">Planning for COVID-19 Scenarios in Schools</a> " toolkit. <input checked="" type="checkbox"/> Clean, sanitize, and disinfect surfaces (e.g. door handles, sink handles, drinking fountains, transport vehicles) and follow <a href="#">CDC guidance</a> for classrooms, cafeteria settings, restrooms, and playgrounds. <input checked="" type="checkbox"/> When bringing students back into On-Site or Hybrid instruction, consider smaller groups, cohorts, and rotating schedules to allow for a safe return to schools.	<p><b>Recovery and Reentry:</b>  Instructional models that support all learners in Comprehensive Distance Learning will be planned in the event the LPHA directs a classroom/cohort or school closure. Distance learning and in-person learning will be planned collaboratively, allowing for students and the school community to move between an in-person and distance learning model.</p> <p>Teachers and students will make use of their online curriculum through Abeka and ZOOM meetings for assistance to facilitate distance learning. Provisions will be made for non-digital distance learning where Internet and computers are not accessible.</p> <p>Cleaning and disinfecting surfaces (e.g., playground equipment, door handles, sink handles) will follow CDC guidance for classrooms, eating areas, restrooms, and playgrounds as outlined in the MCA Communicable Disease Management Plan.</p> <p>The school will follow the LPHA guidance regarding the return of students and staff for On-Site instruction.</p>

## ASSURANCES

*This section must be completed by any public school that is providing instruction through On-Site or Hybrid Instructional Models. Schools providing Comprehensive Distance Learning Instructional Models do not need to complete this section unless the school is implementing the Limited In-Person Instruction provision under the Comprehensive Distance Learning guidance.*

*This section does not apply to private schools.*

- ☐ We affirm that, in addition to meeting the requirements as outlined above, our school plan has met the collective requirements from ODE/OHA guidance related to the 2020-21 school year, including but not limited to requirements from:
- Sections 4, 5, 6, 7, and 8 of the [Ready Schools, Safe Learners](#) guidance,
  - The [Comprehensive Distance Learning](#) guidance,
  - The [Ensuring Equity and Access: Aligning Federal and State Requirements](#) guidance, and
  - [Planning for COVID-19 Scenarios in Schools](#)
- ☐ We affirm that we cannot meet all of the collective requirements from ODE/OHA guidance related to the 2020-21 school year from:
- Sections 4, 5, 6, 7, and 8 of the [Ready Schools, Safe Learners](#) guidance,
  - The [Comprehensive Distance Learning](#) guidance,
  - The [Ensuring Equity and Access: Aligning Federal and State Requirements](#) guidance, and
  - [Planning for COVID-19 Scenarios in Schools](#)

We will continue to work towards meeting them and have noted and addressed which requirement(s) we are unable to meet in the table titled "Assurance Compliance and Timeline" below.

### 4. Equity

### 5. Instruction

### 6. Family, Community, Engagement

### 7. Mental, Social, and Emotional Health

### 8. Staffing and Personnel

## Assurance Compliance and Timeline

If a district/school cannot meet the requirements from the sections above, provide a plan and timeline to meet the requirement.

List Requirement(s) Not Met	Provide a Plan and Timeline to Meet Requirements <i>Include how/why the school is currently unable to meet them</i>
